Vision Services / School for the Blind

WELCOME!

We're so happy to bring you the new catalog for The Store located at the North Dakota Vision Services and the School for the Blind. Our mission continues to be to provide the blind and visually impaired with faster access to items needed for daily living. We also continue to provide services to help the blind and visually impaired make informed decisions on product purchases.

You may notice some changes in the products we carry. If an item you usually purchase isn't listed in the catalog, you are still able to order it through us, or one of similar quality. Availability and technology change over the years, and we try to carry the newest and most popular items.

One improvement with The Store is we now accept credit and debit card payments. This makes the purchase process easier for everyone. Of course, we still accept checks and cash (for in-store purchases).

Thanks for shopping with us and we hope to see you soon!
